RAVINDER RAWAT

CEO at The Infinity Learning Hub

Ravinder Rawat is a seasoned trader and trainer who has carved a remarkable niche in the world of stock market education. With years of hands-on experience and deep insights gained from working alongside industry veterans, Ravinder brings a practical and tested approach to trading that resonates with learners across all levels. As the CEO of The Infinity Learning Hub, India's leading stock market training institute, Ravinder has been at the forefront of empowering individuals with the skills and strategies needed to thrive in the financial markets. His ability to simplify complex concepts has made trading education more accessible and effective than ever before. Ravinder's contributions have been widely recognized. He was honored with the Millennium Brilliance Award as the "Best Trainer in the Stock Market Industry," while his institute, The Infinity Learning Hub, received the "Most Trusted Stock Market Learning Platform in India" title at the prestigious Atal Achievement Awards 2022. Featured in leading publications such as The Times of India, Economic Times, and Hindustan Times, Ravinder continues to lead with integrity, innovation, and a deep passion for teaching. Having trained over 38,000 students, his mission is clear—to nurture the next generation of confident, skilled, and successful traders.
